The price of beef doth make us sigh,
And turkey flesh swift and sure,
Most everything will soon be high;
Except, alas, the temperature.

The Thanksgiving service will be held in the Central Presbyterian Church.

Mrs. L. S. Kay, formerly of this city, was an applicant for position as Cataloguing Clerk in the Public Library in Cincinnati on October 26th but was turned on account of it being necessary to understand three languages.

Mr. J. F. Michel and Mr. H. E. Rosevear of Louisville, and Mr. Ewart of Lexington, are in the city to consult with the Board of Directors of the Y. M. C. A. in regard to providing means for the current year's expenses.

Messrs. Murray & Thomas have erected in the Mason County Cemetery a handsome memorial to the late Milton C. Russell. These gentlemen do a class of work that obviates all necessity for sending orders outside of Mayville.

Our fine Clocks are on sale again; see our window. \$6.50 Clocks now \$3.75; \$7.50 Clocks now \$4; \$8 Clocks now \$4.75; \$9 and \$10 Clocks now \$5 and \$6. We are selling these Clocks for less money than they can be bought anywhere. All warranted.

MURPHY, the Jeweler.

The four-months-old infant daughter of Ishmael Owens, a farmer, was fatally burned at their home in Robertson county. The mother of the child had tied it in a chair and placed it before the fireplace while she was engaged with domestic work in an adjoining room. A hot coal popped onto the child's clothing, setting it afire.

When Mr. Gollenstein and his hounds arrived at Garrison, together with the Sheriff posse, the trail was taken up and lead to a den some miles in the knope. The Sheriff hauled the party on the inside and was answered he would come out in a minute. Suddenly the door opened and a gang of ruffians stepped out with their guns leveled and bade them depart instantly, which they did in somewhat of a hurry. Mr. Gollenstein and the dogs returned home and thus matters stand for the officers of the county to solve.

SPECIAL NOTICE.

A. O. U. W. will have a special meeting this evening at "Squire Grant's" Office at 7 o'clock. Grand Master Workman Osbourn will address the meeting. All members are urged to be present.

REDMEN'S CORNFEST.

Program For Wednesday Evening's Eatingdeeroffinskylvelt

Netwithstanding the suit by the Coney Island Company as libelants against Wyandotte Tribe of Redmen as Indians, on account of the famous or infamous Sandwich Island Queen excursion of last May, local Indians to the number of some three hundred will put their feet under the mahogany at the Elks Home temple tomorrow evening and partake of a lunch that would make the fake grublinger of the S. I. Queen look S. I. Q.

After disposing of oysters in all styles, chicken and turkeys of all ages, salads of all sorts, pickles, puddings and pies of all nationalities, and a perfect retinue of sit-eat-eats, the following oratorical program will play its way through the curling smoke from 187 fragrant cigars.

Cured of Piles After 40 Years.

Mr. C. Haney of Geneva, Ohio, had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by J. Jas. Wood & Son Druggists.

For Thanksgiving novelties and fancy baskets of fruit go to A. B. Fitzgerald's.

The ladies of the Y. M. C. A. have fitted up the reading room in a beautiful manner.

The State Board of Election Commissioners canvassed the returns and issued certificates in the various races for state officers yesterday.

John Bowman, one of the assailants of Colonel Mordecai Williams of Normal, who has been in jail at Louisville, Sunday night held up and assaulted the jailer at the point of a revolver and escaped. It is thought he is headed for Maysville, and officers are now in pursuit. Bowman was positively identified by Colonel Williams as the man whom he caught in his home and who shot him in attempting to escape.

LATEST NEWS.

Senator Foraker introduced a bill in the Senate yesterday to create a new Federal Court in Ohio, with Columbus as the place of holding Court. The District, as proposed, is to be composed of counties taken from the Cleveland and Cincinnati jurisdictions.

The remains of Grover Androws of 19 Madison Avenue, Newark, O., legless, with one arm off, an eye gouged out and the whole face and head a mass of bruises, were found yesterday near St. Clairsville Junction. It is thought he was thrown from a train by tramps and beaten to death and that his body was then put on the track.

Fascination for a woman and persistent plunging on the horse races are given as the causes for the sudden leaving Saturday night of William B. Waggoner, manager of the Cincinnati branch of the Wilcox & Gibbs Sewing Machine Company. It is said that Waggoner is short between \$6,000 and \$7,000 in his accounts with the Company. The shortage was discovered last Saturday, when an Inspector for the Company arrived in Cincinnati.

At Lawrenceburg, Ky., fire starting at midnight Sunday at Dubson's grocery near the depot destroyed eight dwelling houses, two cooper shops and a colored Church before it could be stayed. Thirty people are homeless and 30 workmen are out of employment. The total loss is almost \$17,000, with only \$3,200 insurance. The principal losers are Mrs. John Dowling, Lewis Martin, Carlton Pleasant and the colored Christian Church.

Clemontville, O., was visited by a disastrous fire early Sunday. It started in the general store of L. P. Friedman, which was destroyed. The loss, \$3,000, is covered by insurance. Ed Ayers' residence, adjoining, burned down next, entailing a loss of \$1,000; no insurance. Mrs. Friedman's warehouse, across the street, valued at \$2,000, and uninsured, was burned, as was the warehouse of Fred Friedman, valued at \$700, and insured for \$300. There is no fire department there, and the flames crept along until they had devoured everything in sight.

At Chicago at a conference late yesterday afternoon between Mayor Harrison, the Aldermanic Peace Committee, Counsel Darrow for the striking streetcar men and Counsel Bliss for the Street Railway Company, an agreement was reached which, all the parties to it believe, will result in a settlement of the great streetcar strike. After the conference had ended Counsel Darrow said: "The war is over." Mayor Harrison announced that all that stood in the way of an immediate settlement was the question of the phrasology of the agreement.

A young colored man, about 25, who gave his name as Elijah Dennis, tried to see the President yesterday, but was promptly turned over to the police, and will be the subject of a lunacy inquest. He told the doorkeepers that he had come from Mississippi to protest to the President against the outrages committed against the colored people in the South. When told he could not see the President he said: "Well, I will see some time soon. The Lord will provide a way." He was then taken into custody. Later in the afternoon Dennis was committed to St. Elizabeth's Hospital for the Insane.

A REMARKABLE CASE.
One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 146 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by J. Jas. Wood & Son, Druggists.

D. HECHINGER & CO.

IF!...

You count Price first we will count with you. If you count Quality first we will interest you. Whatever you want and whatever price you want to pay you will get the best for the money from us.

For many years we have conscientiously labored to provide the highest class of Clothing that is made for our Patrons, and today our community is one of the best dressed you will find anywhere.

WE HAVE JUST MADE OUR
PEOPLE BUY GOOD CLOTHING!

The same holds good with all our other departments.

Our Shoe Department

Though only a few years old, commands the patronage of the public. Why? Because our Shoes are the very Best that are made in the country. Said a shoe merchant some years ago, when asked why he did not provide better Men's Shoes for the Maysville trade, "Oh, we could probably sell two or three pairs of \$5 or \$6 Shoes, and you know that wouldn't pay." Today we sell as many \$5 and \$6 Shoes as we sell of the \$8 quality. We knew what kind of Shoes people want.

The Globe Trading Stamps given away at our store.

THE HOME STORE. D. HECHINGER & CO.

NO FRIENDS LIKE TRIED FRIENDS

LONG AGO in the history of our house we kept McCall Patterns, but as larger departments grew and we couldn't make our old store yield additional space the patterns were reluctantly crowded out. Now after twenty years, with unbroken faith in the merit of McCall Patterns and in response to popular demand, we make room for them in our new store. What do you think of a woman who pays 35c for an article when she can get a better one for 15c—less than half? Madam, perhaps you are thoughtlessly doing it—paying 35c for a pattern when 15c will secure one of superior merit. McCall Patterns are distinctive in being cut to the exact requirements of the American figure—the broad shoulders, narrow back, full chest and hips of American women dictate the lines, French models are never taken as a standard. McCall Patterns, by allowing all seams, simplify cutting, safeguard against error in not allowing sufficient margin and prevent the possibility of even infinitesimal waste. Other merits of McCall Patterns: They show at a glance the size, also quantity of material needed. They are folded to form fewer lines than are found in other patterns and which often prove confusing. They take less material than other patterns, as you can prove by comparison. They have all directions printed in large type and very simply worded. They are sold at the uniform price of 10c and 15c. No patterns beyond the 15c limit. They are made of paper that is thin, but has body to resist the wear and tear of handling if given ordinary care. Give these patterns a trial and they will instantly find a place in your list of indispensables. McCall's Magazine is a delightful monthly journal, containing colored and black and white plates with descriptive fashion notes, book reviews, culinary information, entertaining fiction and much valuable news of the day. Yearly subscriptions 50c, and each subscriber is allowed a choice of one pattern.

"MACBETH"

Absurd and quite unsightly!
Let the earth hide thy bloodiest cold."

How few people of the present generation are familiar with this well known quotation from Shakespeare's weird romantic play of "Macbeth." A tragedy so replete with murder, ghosts, witches, thunder and lightning, and novel scenic effects that one is tempted to walk miles to witness a performance of this magnificent tragedy. How few of the many tragedians who have impersonated "Macbeth" are alive today? Forrest, Booth, McCallough, Davenport, Barrett, have all passed away, but we can look forward with pleasure to John Griffith's performance on Thanksgiving evening, November 26th. Seats now on sale at Ray's Drugstore.

A SCIENTIFIC DISCOVERY.

Kodol Dypsepia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol Dypsepia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the indispersed muscles of that organ are allowed to rest and heal. Kodol Dypsepia Cure directs what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by J. Jas. Wood & Son, Druggists.

The latest in Stationery at Ray's.

The three-year-old daughter of J. D. White of Needmore, this county, was burned to death, its clothes catching from a fireplace.

HIGHEST PRICE!

Walter C. Reneker will pay 13½ cents for good, fat Turkeys delivered at his poultry-home in Marshall Station any day until December 15th. Phone him before selling. He will pay more than any one.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup; so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25¢; regular size, 75¢. At Henry W. Ray's, next door to Postoffice.

WILL SHORTLY WED.

Colonel Ben Davis Will Lead An Ohio Lady to the Altar.

Mr. Ben Davis, son of Mr. and Mrs. M. Davis of Market street, now a popular and successful clothier of Portsmouth, will shortly lead to the altar Miss Carrie Eisaman of that Ohio city.

It is customary with Jewish people that a reception—more properly speaking, perhaps, a feast—precede the marriage of a Jew. It is at this reception that presents are given on the contracting parties, and it is said on this occasion the gifts will be numerous and valuable.

Mr. Davis is a native of this city and has many friends here who will join THE LEDGER in extending congratulations and best wishes to the happy groomsmen and his fair intended.

Mr. and Mrs. M. Davis leave today to be present and join in the merry-making on Thursday.

THE news is cabled from Berlin that the Handels Gesellschaft has increased its capital to \$25,000,000. This will be gratifying to all handlers of the gesells—whatever it, they, he or she may be.

CINCINNATIANS went to bed the other night paying 7 and 8 per cent. for loans. They woke up the next morning and were offered all the money they wanted at 4½ and 5 per cent. Since that the money-lenders have been afraid to go to bed lest they might find on awakening that they would have to pay people for borrowing their money.

UP to the present writing neither the Six-deck Straight-line Web Press, the ten-battery Mergenthalers, nor the seven-cum-eleven horse-and-cow power gas engine have arrived for the new Republican "orgine" which is to knock THE LEDGER hellwestandcrooked. Why the delay, when the fence is down, the field open and the grain ready for the grasshopper?

AUDITOR COULTER has published a list of the "pauper counties" of Kentucky. The Democratic spellbinders have been making a big howl about the pauper counties being Republican counties; and it must be somewhat humiliating to the Auditor to publish the fact that his own county of Graves, which has just given a Democratic majority of 365, is in the list of "pauper counties."

THE Railroad Employe, a New Jersey publication devoted to organized labor among railroad men, has some good advice which applies with as much force to other branches of business as it does to the railroad business. "The present tide of prosperity," it says, "is at its flood, or, perhaps, just commencing to ebb, for business is not as booming as it was, and we fear that a few lean years are upon us. It takes ten days work at 10 per cent. raise to offset a single day's idleness. It would similarly take about three years to offset three months; and loafing without a payday at the end of the month is no joke." This advice to those about to strike should be carefully pondered.

LOUISVILLE has a Democratic city Government, and her Police and Fire Departments are used as Democratic Machines at election times. And here's how her Democratic Fire Department "saves" the property of taxpayers during a fire—

"LOUISVILLE, KY., November 21.—Six members of the Louisville Fire Department were today notified by Chief TYSON to appear before the Board of Public Safety Monday to answer charges of looting in yesterday's blaze which destroyed the old Masonic Temple. Both Mayor GRAINGER and Chief TYSON decline at this time to give out the names of the accused men. Fine goods, identified as having been in a jewelry store and a drughouse, were found in the lockers and under the mattresses of the men in the engine-houses, it is alleged. Firemen were seen to sit down in two shoeboxes while the fire was raging over their heads and deliberately try on shoes until they found a pair which fitted. About \$150 worth of meerschaum pipes were taken from a case in the Fowler Drugstore; the box office of the Hopkins Theater and trunks in the dressing-rooms were rifled; the desks were broken open, in one case an ax being used to get into a drawer. The cashdrawer in the box office of the theater was opened by picking the lock and \$15 in cash was stolen. A trunk belonging to an employee of the animal show was broken open and two pistols were stolen. The jewelry store of Rodgers & Krull was looted of all the valuables, worth over \$1,000."

It only takes 87 dollars worth of old type to start a newspaper. The "know-how" is not necessary;—the shop will just run itself and everything is profit. Try it.

IN 1901 BECKHAM got 2,942 votes in Mason county, and this year 2,715, a loss of only 227. In 1901 YERKES got 2,463, and this year BELKNAP got only 2,032, a Republican loss of 431. Who did it?

GENERAL YOUNG, Chief of staff of the Army, urges Congress to re-establish the Army Canteen. But what does the commander of the Army know about it? A lot of W. C. T. U. cranks are the ones who know it all; and half of them couldn't tell a canteen from a cradle.

IN 1901 Kentucky gave BECKHAM 230,273 votes, and this year he received 229,014, a falling off of only 1,259. In 1901 YERKES got 226,755, and this year BELKNAP got only 202,764, falling off of 23,991 Republican votes. You pays your money and you takes your choice of how, when, why and who it happened.

THE Commercial Tribune very appropriately says that a Democratic President having hauled down the Flag in Hawaii, it was only the proper caper for a Democratic Senator to introduce a bill giving Queen LIL \$200,000 for the damage to her feelings when a Republican President hauled the Flag to the masthead and kept it there.

THE Cincinnati end of investigator BRISTOW's Postoffice investigation has hit the ground with a dull heavy thud. Two men accused of all sorts of villainy against the postal laws have been unanimously acquitted in the Federal Court. If Mr. Bristow hasn't better luck with the Eastern end of his hippodrome, he'd better return to Kansas or Fleming county and plow corn.

EVIDENTLY, Governor BECKHAM is to be the Governor of the Democrats only. THE LEDGER had a foolish notion, somehow or another, that when a man was chosen Governor or President he at once ceased to be the mere Representative of his party, but that he became the Governor or President of the whole people. So far as learned, however, the managers of Governor BECKHAM's inauguration have invited only Democrats to attend.

THE Senate's stately Committee on Military Affairs didn't pay much attention to the testimony of Major ESTES G. RATHBONE in opposition to the confirmation of the President's pet General Wood; but when two or three other witnesses, well known to the august Senators, not only substantiated RATHBONE's evidence, but disclosed a good deal in addition, they pricked up their ears and began to take some interest in the investigation. It's a cinch that RATHBONE will come out on top yet, if he gets a fair deal.

THE Supreme Court of Nebraska issued a writ of mandamus against the teacher of a Public School, ordering her not to read the Bible to her pupils. The case was tried some time ago, the Supreme Court deciding that sectarian knowledge should not be imparted in the Public Schools. The teacher continued to read the Bible, and one DANIEL FREEMAN sued for a writ of mandamus. And the Bible is a "sectarian" document, according to the learned lawsmiths of Nebraska. Next thing you know some fellow will hop up and swear that a cigar-store Indian is a "sectarian" bngbear, because some poor idiots worship wooden images.

What Are We Here For?

Stepped Against a Hot Stove.

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Halm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellard, Va. Pain Halm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by J. Jas. Wood & Son.

The last time I became pregnant, my husband got me to take Lydia E. Pinkham's Vegetable Compound. After taking the first bottle I was relieved of the sickness of stomach, and began to feel better in every way. I continued its use and was enabled to carry my baby to maturity. I now have a nice baby girl, and can work better than I ever could before. I am like a new woman."

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

So uniformly successful has Dr. Pierce's Favorite Prescription proven in all forms of Female Weakness, Prolapus, or Falling of Womb, and Leucorrhœa, that, after over a third of a century's experience in curing the worst cases of these distressing and debilitative ailments, Dr. Pierce now fully warrants in offering to pay \$500 in cash for any case of these diseases which he cannot cure.

IT STANDS ALONE.—The "Favorite Prescription" stands alone, as the one and only remedy for these distressingly common forms of weakness, possessed of such positively specific curative properties as to warrant its makers in proposing, and binding themselves to forfeit, at we, the undersigned proprietors of that wonderful remedy hereby do, to pay the sum of \$500 in legal money of the United States, in any case of the above diseases in which after a fair and reasonable trial of our treatment, we fail to cure. No other medicine for the cure of these peculiar ailments is backed by such a remarkable guarantee; no other medicine for woman's ills is possessed of the unparalleled curative properties that would warrant its manufacturers in making such an offer; no other remedy has such a record of cures on which to base such a remarkable offer.

Therefore, insist on having Dr. Pierce's Favorite Prescription and turn your back on any unscrupulous dealer who would insult your intelligence by attempting to foist upon you some inferior substitute, under the plea that "it is just as good." Insist on having the article which has a record of a third of a century of cures and which is backed by those willing to forfeit \$500 if they cannot cure you.

In cases attended by leucorrhœal drain a solution of Dr. Pierce's Lotion. Tablets should be used conjointly with the use of the "Favorite Prescription." They are sold by all druggists, or sent post-paid to any address, on receipt of 25 cents in stamps. Send 31 cents in stamps for Dr. Pierce's Common Sense Medical Adviser. Address WORLD-SUPERIOR, Buffalo, N. Y.

Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private.

The Lighthouse Tender Goldenrod was at Pittsburgh recently in command of Captain H. M. Horton and with Commander A. P. Osborne, Lighthouse Inspector for this District. The rivermen had asked that a light be placed at the trap near Seawickley. Commander Osborne allowed this and a light was placed on the left shore near the oil refinery on the Coraopolis side of the river and at the point where the tows must begin to turn over to the right in order to keep in the channel. But the Lighthouse Committee of the Pilots is not satisfied. Captain Holden wants another light placed there.

The Best Remedy for Croup.
From the *Athenaeum (Kan.) Daily Globe.*

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. Therein lies an old-fashioned remedy for croup, known as hives syrup and tincture, and some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much.

It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by J. Jas. Wood & Son.

As You Like It

That is about the way The Mutual Life Insurance Company of New York issues policies in these days of varied requirements in business and family life.

The postscript to a letter written by Mr. Ebe Walter, of Clarkesville, Del., enforces this thought:

"The contents of the dividend edition of 1907, making my statement, that the policy I have is the best suited to my present circumstances."

What Mr. Walter did take was a dividend check for \$166.98 on the paid-up policy of \$1,000, which cost him all told \$485.22. He says:

"The feature which I particularly like about my policy is that the longer I live the more I get and that during the balance of my life there is nothing more for me to pay."

(From *Wilmington (Del.) News*, Nov. 27, 1902.)

In writing for terms for a policy of this kind, state what you would like to receive in cash at the end of limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.
